Chris Schillinger Named an Equity Owner at Zocalo

Denver (February 18, 2019) – Zocalo Community Development is proud to announce Chris Schillinger, LEED® AP BD+C has been named an equity owner of the company. Schillinger is a Senior Project Manager and has been with Zocalo since February 2014.

“Chris has consistently demonstrated truly tireless, spotless work that is an emblem of his commitment to the company, our communities, our residents and our partners,” said David Zucker, Principal and Chief Executive Officer of Zocalo. “We couldn’t be more excited to have Chris join us as a partner and help us achieve the mission of Zocalo.”

Schillinger has 12 years of construction management experience with a combined total oversight of approximately \$850 million. Prior to joining Zocalo, Schillinger completed a five-story LEED® Gold-certified office building in San Diego, CA, the CityCenter resort and casino in Las Vegas, NV, a LEED® Gold-certified office building and solar panel manufacturing facility in the Bay Area, an 1,800-car parking structure and LEED® Platinum-certified security building at NREL in Golden, CO, and the LEED® Gold-certified Cadence Apartments at Union Station in Denver, CO.

As Senior Project Manager for Zocalo, Schillinger’s responsibilities include leading construction related staff, the oversight of prime contractors and subcontractors while managing the associated risks, overseeing monthly construction billings and budgets, preparing owner change orders, building permit procurements, interfacing with equity partners and property management teams, and updating development schedules.

About Zocalo Community Development

Zocalo Community Development is a next-generation real estate company, joining social purpose with profitability, that creates sustainable projects aligned with key demographic, market, and environmental trends. We focus on projects and locations where demand for green, mixed-use, mixed-income development outstrips supply and public policy favors affordable, planet-friendly projects that help residents achieve their aspirations.
